Hi [Client Name],

Acrylic Prints showcase your session photos through crystal-clear material that creates incredible depth while maintaining those clean, contemporary lines that beautifully accent any home. The sleek, polished surface fits perfectly with modern holiday decor and adds an upscale touch to any winter celebration.

The added dimension of Acrylic lends extra dimension that draws any viewer in. Consider these the best conversation starters at holiday gatherings! The result looks expensive and sophisticated without competing with your other seasonal decorations.

I'd love to show you which of your session photos would shine on Acrylic. They're perfect for adding that modern, polished element to your holiday season (and beyond!) while keeping the focus on your beautiful family.

Best,
[Your Name]
